

n. 5. Ryan, James
New York

TBLWT 170-100

This file contains very little data. In 1804 an affidavit was signed by James ^{his} + Ryan ^{mark} appointing John Condit, Esq., Senator in Congress his power of attorney to claim military bounty land. By the time of the filing of this affidavit he was old, blind and deaf and it would appear that the land due him may have been granted as a charity.

There is no statement of his date of birth, details of service, or of his family and dependents, if he had any.
